I do hereby certify that I have set down in the above assessment Roll all the real property liable to taxation situate in the Municipality of Marmora and Lake and the (true actual value) thereof in each case according to the best of my information and judgement and also the said Assessment Roll contains true statement of the aggregate amount of the personal property or of the taxable income of every party named on the said Roll. And that I have estimated and set down the same according to the best of my information and belief. And I further certify that I have entered thereon the names of all the Resident Freeholders Tenants and Freeholders and of all the persons who have required their names to be entered thereon with the true amount of the property occupied or owned, or income received by each, and that I have not entered the names of any persons whom I do not truly believe to be a Freeholder Tenant or Freeholder, or the bona fide occupier or owner of the property or in receipt of the income set down opposite his name for his own use and benefit and I further certify that according to the best of my knowledge and belief I have entered thereon the name of every person entitled to be so entered, either under the Assessment Act or the Manhood Suffrage Act or of any Act amending either of the said Acts. And that I have not intentionally omitted from the said Roll the name of any person whom I know or had good reason to believe was or is entitled to be entered thereon under any of the said Acts. And I further certify that the date of delivery or transmitting the notice required by section forty seven of the Assessment Act is in every case truly and correctly stated in the said Roll. And I further certify and swear that I have not entered the name of any person at too low a rate in order to deprive such a person of a vote or at too high a rate in order to give such a person a vote and that the amount for which each such person is assessed upon the said Roll truly and correctly appears in the said notice delivered or transmitted to him as aforesaid.
